Letter of Commitment

✖

I voluntarily participated in The First Yunnan International Innovation and Entrepreneurship Competition and made the following commitments:

My application form is consistent with the relevant contents of the project (business) plan, which is used as a guide to carry out various work. After the project lands in Yunnan, I will accept the assessment of Yunnan's talent work leading group office.

My application materials are true and accurate. The participating project, technologies and products have complete, independent and legal rights, involving no plagiarism or any other criminal action. All legal liabilities arising therefrom shall be borne by myself.

In the process of participating in the competition, I will not carry out any behavior that interferes with the competition, nor do we have any action of arbitraging the financial funds and any intention of fraud. In case of any of the above situations, we will voluntarily withdraw from the competition, and we will bear all the responsibilities.

Tip: please check the content carefully, it has been submitted and cannot be modified!

Notice! ! ! Once the registration is submitted, it cannot be modified. If you need to modify it, you need to contact the organizing committee to cancel the review, and then modify it!

Letter of Commitment 🗒️ ×

I voluntarily participated in The First Yunnan International Innovation and Entrepreneurship Competition and made the following commitments:

My application form is consistent with the relevant contents of the project (business) plan, which is used as a guide to carry out various work. After the project lands in Yunnan, I will accept the assessment of Yunnan's talent work leading group office.

My application materials are true and accurate. The participating project, technologies and products have complete, independent and legal rights, involving no plagiarism or any other criminal action. All legal liabilities arising therefrom shall be borne by myself.

In the process of participating in the competition, I will not carry out any behavior that interferes with the competition, nor do we have any action of arbitrating the financial funds and any intention of fraud. In case of any of the above situations, we will voluntarily withdraw from the competition, and we will bear all the responsibilities.

Tip: please check the content carefully, it has been submitted and cannot be modified!

I have read and I agree 《Letter of Commitment》
